resource security is a new battleground in the international politics of the asia pacific with demand for minerals and energy surging disputes are emerging over access and control of scarce natural resource endowments drawing on critical insights from political economy this book explains why resources have emerged as a source of inter state conflict in the region

southeast asian affairs first published in 1974 continues today to be required reading for not only scholars but the general public interested in in depth analysis of critical cultural economic and political issues in southeast asia in this annual review of the region renowned academics provide comprehensive and stimulating commentary that furthers understanding of not only the region s dynamism but also of its tensions and conflicts it is a must read suchit bunbongkarn emeritus professor chulalongkorn university now in its forty third edition southeast asian affairs offers an indispensable guide to this fascinating region lively analytical authoritative and accessible there is nothing comparable in quality or range to this series it is a must read for academics government officials the business community the media and anybody with an interest in contemporary southeast asia drawing on its unparalleled network of researchers and commentators iseas is to be congratulated for producing this major contribution to our understanding of this diverse and fast changing region to a consistently high standard and in a timely manner hal hill h w arndt professor of southeast asian economies australian national university

dominic kaid is heartbroken over the recent loss of his mother and sister while trying to return to work he finds himself in a sabotaged lab unable to escape a series of explosions ignite and liquid metals engulf him those around him do all they can to save his life with an untested experimental therapy as he s recovering in a coma they see his body adapting to the metal in impossible

ways while trying to understand what caused the lab explosions and how dominic adapted jack aiden and patrick begin to uncover a trail of bodies and search for what lies at the end with help from physicists psychologists biologists molecular biologists mds chemists and a former fbi agent this series is as scientifically sound as a science fiction graphic novel can be information about the science used can be found in the back of the book

tangible and intangible forms of indigenous knowledges and cultural expressions are often found in libraries archives or museums often the legal copyright is not held by the indigenous people s group from which the knowledge or cultural expression originates indigenous peoples regard unauthorized use of their cultural expressions as theft and believe that the true expression of that knowledge can only be sustained transformed and remain dynamic in its proper cultural context readers will begin to understand how to respect and preserve these ways of knowing while appreciating the cultural memory institutions attempts to transfer the knowledges to the next generation

revision of the author s thesis master s chulalongkorn university

world orders are increasingly contested as international institutions have taken on ever more ambitious tasks they have been challenged by rising powers dissatisfied with existing institutional inequalities by non governmental organizations worried about the direction of global governance and even by some established powers no longer content to lead the institutions they themselves created for the first time this volume examines these sources of contestation under a common and systematic institutionalist framework while the authority of institutions has deepened at the same time it has fuelled contestation and resistance in a series of rigorous and empirically revealing chapters the authors of contested world orders examine systematically the demands of key actors in the contestation of international institutions ranging in scope from the world trade organization and the nuclear non proliferation regime to the kimberley process on conflict diamonds and the climate finance provisions of the unfccc the chapters deploy a variety of methods to reveal just to what extent and along which lines of conflict rising powers and ngos contest international institutions contested world orders seeks answers to the key questions of our time exactly how deeply are international institutions contested which actors seek the most fundamental changes which aspects of international institutions have generated the most transnational conflicts and what does this mean for the future of world order

while the profession of public relations is only a century old man has been practicing the art of influencing public attitudes since the dawn of civilization this book looks at modern america through the lens of public relations showing how many of the events that have changed the course of our nation s modern history were triggered by campaigns to influence attitudes opinions and behaviors and while the channels may have evolved in the modern era from radio and newspapers billboards and magazine ads to television and the internet to tumblr and instagram the underlying power of public relations to shape organizations and issues and to change human behavior has not inside this book you ll find case studies on campaigns from the women s movement through civil rights to public education on health and safety issues that document the role public relations has played in shaping contemporary american culture and society

this book assesses the strategic significance of the asian infrastructure investment bank aiib by examining the logic of international power and order historic trends in east asian international relations the aiib s design in comparison to rival financial institutions such as the world bank and the asian development bank recent tendencies in chinese foreign policy and the chinese system of political economy it focuses on how china constructs international arrangements at a critical juncture in history compared to other great powers especially the united states and japan viewed in isolation the aiib does not represent a radical departure from the existing international order it is a hybrid institution built on china s integration into the west dominated international structure and conditioned by the global financial market but the aiib does draw in part from a different institutional lineage a different historical root and a different national system of political economy in this context china s greater success will constitute a partial change to the existing international order whatever the chinese intention

routledge interpreting guides cover the key settings or domains of interpreting and equip trainee interpreters and students of interpreting with the skills needed in each area of the field concise accessible and written by leading authorities they include examples from existing interpreting practice activities further reading suggestions and a glossary of key terms drawing on recent peer reviewed research in interpreting studies and related disciplines dialogue interpreting helps practising interpreters students and instructors of interpreting to navigate their way through what is fast becoming the very expansive field of dialogue interpreting in more traditional domains such as legal and medical and in areas where new needs of language brokerage are only beginning to be identified such as asylum education social care and faith

innovative in its approach this guide places emphasis on collaborative dimensions in the wider institutional and organizational setting in each of the domains covered and on understanding services in the context of local communities the authors propose solutions to real life problems based on knowledge of domain specific practices and protocols as well as inviting discussion on existing standards of practice for interpreters key features include contextualized examples and case studies reinforced by voices from the field such as the views of managers of language services and the publications of professional associations these allow readers to evaluate appropriate responses in relation to their particular geo national contexts of practice and personal experience activities to support the structured development of research skills interpreter performance and team work these can be used either in class or as self guided or collaborative learning and are supplemented by materials on the translation studies portal a glossary of key terms and pointers to resources for further development dialogue interpreting is an essential guide for practising interpreters and for all students of interpreting within advanced undergraduate and postgraduate graduate programmes in translation and interpreting studies modern languages applied linguistics and intercultural communication

diploma thesis from the year 2018 in the subject law public law constitutional law basic rights grade 64 de montfort university leicester business and law course law language english abstract this paper examines the question how based on the right to life the lives of people with albinism can and should be protected in the case of kenya the right to life is an inherent right and both state and non state actors have legal obligations to refrain from intentional and unlawful deprivation of life in spite of this the belief and practice of witchcraft are traditionally rooted in a number of african communities this has led in a series of violations of the rights of persons living with albinism the most barbaric of all being the evisceration of their body parts or bones to use them in witchcraft rituals aimed to bring success in one s life cure diseases and also keep evil at bay nevertheless this study examines the legal significance of international treaties protecting the right to life and security of persons living with albinism an illustration of the principles established in the convention on the rights of persons with disabilities and other core international norms that ordinarily protect the right to life will be demonstrated notably international human rights serve as a catalyst for legal change through furthering the promotion of fundamental human rights in light of this observation this study illustrates national court cases domestic laws and practices structured by the kenyan government that comply with its international obligations in promoting and preserving the right to life of

people with albinism
